

## Calendar of statistical dissemination - Update BPstat and the Statistical Bulletin.

Each date in parentheses refers to the period of the information released. When the periodicity (2nd column) is indicated as Monthly (-n) means that the information relates to the "current month - n months" (eg: Monthly (-2) means that information is published in March relative to January). Notes: the statistical press release on A.23 is only published in february, may, august and november; the statistical press release on A.22 will be only published in november.
