Public debt July 2016

September 1st, 2016

Banco de Portugal publishes today in table A.15 of the Statistical Bulletin and in *BPstat*, public debt statistics for July 2016.

In July of 2016, public debt reached 240.9 billion euro (Chart 1), an increase of 0.8 billion euro when compared with June 2016 (Chart 2). This increase reflects mainly net issuances of securities (0.8 billion euro).

The decrease in deposits of central government (1.5 billion euro) resulted in an increase of 2.3 billion euro of net debt of deposits of Central Government to 224.3 billion euro at the end of July 2016.
