## General government financing

### February 2018

43 | 2018

19 April 2018

Today, Banco de Portugal publishes statistics, in Table [A.15](#) of the *Statistical Bulletin* and in *BPstat*, on general government financing for February 2018.

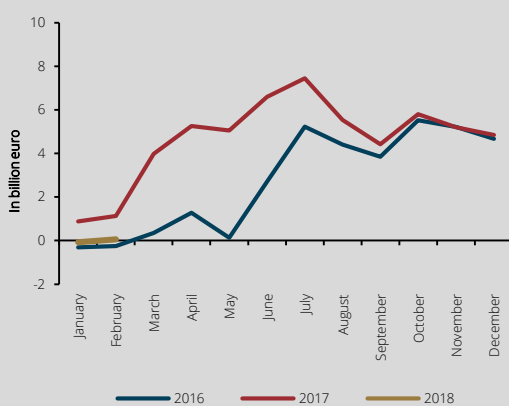

In February 2018 general government financing stood at €60 million, i.e. below the €1.1 billion recorded in the same period in 2017 (Chart 1).

Financing obtained by the general government from resident banks amounted to €0.8 billion and from

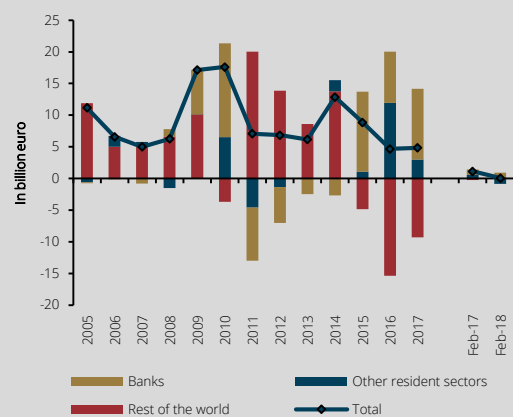

abroad totalled €0.2 billion. Conversely, over this period, financing obtained by the general government from other residents stood at €-0.9 billion (Chart 2).

Financing through securities totalled €4.1 billion, offsetting a €4.0 billion reduction in loans net of deposits.
