

## Processing of personal data

Under the General Data Protection Regulation and in its capacity as personal data controller for the purpose of holding webinars/online conferences or other forms of streaming, the Banco de Portugal collects, stores, reproduces and disseminates your image and/or voice, obtained by means of photographs, videos and/or voice recordings, or parts thereof, within the scope of events organised by the Banco de Portugal and held as a webinar/conference in order to disseminate information.

As data subject, you further declare to be aware of your right to:

- (i) access the data relating to you;
- (ii) information on personal data processing operations carried out and on the specificities on such operations;
- (iii) ask for the rectification of the personal data relating to you which may have been incorrectly entered and stored;
- (iv) lawfully oppose to the future processing of personal data relating to you beyond the specified purposes of the original processing;
- (v) lodge a complaint with the competent data protection supervisory authority, Comissão Nacional de Proteção de Dados (CNPd – the Portuguese Data Protection Authority), at [www.cnpd.pt](http://www.cnpd.pt) or to its address.

This event will be audio-visually recorded and/or broadcast via a web streaming platform. This platform is governed by a privacy policy of its own and has its own data retention periods beyond the control of the Banco de Portugal.

By participating in this event, you agree with the collection and processing of your personal data, as well as the broadcasting and publication of the audio-visual and web streaming recordings. Depending on the type of event, recordings may be made available on pages with public or restricted access.

**If you do not agree with the recording and/or publication of your image and/or voice**, please contact the event's organisers via email: [protocolo@bportugal.pt](mailto:protocolo@bportugal.pt). Depending on the resources available and the specificities of the event, the organisers undertake to place you in an area not covered by cameras or to ensure that, in the case of a Webinar, you do not have to use your camera or microphone.

The personal data are stored for 60 (sixty) days to achieve the specified purposes.

To exercise your data protection rights, please contact the Banco de Portugal (i) at any of the Banco de Portugal's information desks, (ii) by post or (iii) by email at [info@bportugal.pt](mailto:info@bportugal.pt).
